EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. M. Brad Lawrence on 15 October 2007.

The application has been amended as follows:

Claims 13 and 14. (Canceled)

Claim 15. (Currently Amended) An apparatus according to claim 1 44 wherein a tip of said outer end pin portions is ~~are~~ inwardly tapered.

Allowable Subject Matter

2. Claims 1-5, 8-12, and 15-20 are allowed. Claim 1 is the independent claim.

3. The following is an examiner's statement of reasons for allowance:

The closest prior art of record is U.S. Patent 4,675,953 to Higgs, which was applied to the claims in the office action mailed 21 August 2007. Suffice it to say, the patent to Higgs does not disclose "wherein said shank portion has outer beveled

surface portions intersecting said parallel surfaces” as claimed in independent claim 1, and as such does not anticipate the instant invention as disclosed in independent claim 1.

Furthermore, there is no combinable teaching in the prior art of record that would reasonably motivate one having ordinary skill in the art to so modify the teachings of Higgs, and thus, for at least the foregoing reasoning, the prior art of record does not render obvious the present invention as set forth in independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric A. Gates whose telephone number is (571) 272-5498. The examiner can normally be reached on Mon-Thurs 8:45 - 6:15.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Monica Carter can be reached on (571) 272-4475. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
